Common Sense:

- If you are sick or anyone in your household is sick STAY HOME.
- Shower before entering the pool.
- Open Swim clients enter at the front desk. You must sign in at the front desk every time.
- If you want to use AquaGym Equipment please ask us at the front desk when you arrive. FOR YOUR SAFETY, PLEASE, DO NOT MOVE IT INTO THE POOL BY YOURSELF.
- Please honor our 15-minute transition times. For Open Swim -- do not enter pool sanctuary until the time listed on the Therapy Pool Schedule. (This 15-minute period is needed to move people & equipment after class.)
- Bring your own towel, non-glass water bottle, footwear, etc.
- We don't have lockers, so we suggest you bring your beach bag to hold stuff.
- There is NO lifeguard on duty. We highly recommend using the facilities with a buddy.

FYI: Confirmation texts/emails will be sent automatically by our booking software. If you reply STOP, you will not get them anymore. HOWEVER, (this is VERY IMPORTANT) if you STOP the wellness texts and emails you will also stop the salon & spa confirmations. Contact the front desk to reactivate confirmation text/emails.
